

City of Bunnell Newsletter

June 2011

June is the month with the longest daylight hours of the year, so make the best of those long days, and get informed of what's happening in your community. Participate, contribute, and *be* the difference you want to see!

Potato Festival & First Township Centennial Parade

We are still excited about all the fantastic events that took place during the Potato Festival and the Parade. Thanks to all the committees, volunteers, participants and general public that made this a great celebration.

Stay tuned! We already started planning for our Centennial!!!!

The Department of Grants, Special Projects and CRA welcomes new staff

Gigi Hart has joined the City of Bunnell. She will be assisting Judi Stetson at the Department of Grants and Special Projects. She may be reached at ext. 32

Neighborhood Watch

A neighborhood watch is an organized group of citizens devoted to crime and vandalism prevention within a neighborhood.

Neighborhood watches are not vigilante organizations. When suspecting criminal activities, members are encouraged to contact authorities and not to intervene

Should you need more information on how to join, contact 386-437-7508

Community Redevelopment Agency, envisioning Bunnell's future!

The latest CRA Visioning and Action Plan was accepted by the CRA Board and the City Commission.

The purpose of this visioning and action plan is to assist the City for future planning projects and programs to support redevelopment initiatives within the CRA.

Palm Coast fiber optic in Bunnell

The City of Palm Coast is building a business-oriented high speed broadband network that will help bring jobs and businesses to Palm Coast. Services will be provided by private sector companies, including some local and regional firms. Therefore, the city is seeking service providers to offer and to sell a variety of services on the network.

The City of Palm Coast is expecting to offer services to the City of Bunnell as they are running fiber optic right past Bunnell City Hall.

For more information, contact the City of Palm Coast IT & Communications Department or visit <http://palmcoastgov.com/PalmCoastFiberNET/>

Solid Waste Department updates:

2011 Beautify Bunnell, a total success!!!

- There will be no solid waste service for **Monday May 30** in observance of Memorial Day, or on **Monday July 4th** in observance of Independence Day. (Monday is yard waste, yard waste will be picked up the following Monday)

From the employees of Solid Waste we wish everyone a safe and great holiday.

We gladly report that the group of volunteers cleaned 656 acres and collected ¾ of ton of garbage. There was less trash in the surroundings this time, and we believe that it was due to last year's Beautify Bunnell, the adopt a road program, the canisters placed by our waste management department, and of course, YOU, our residents and friends that really care for their city. Thank you for your support!

Did you see our Parade? Did you attend the Potato Festival? **We want to know what you think!**

E-mail us at: ghart@bunnellcity.us and tell us what you want to see next year!

Car Dealers/Business Owners: Please support the Bunnell "Appearance Enhancement Initiative" by cleaning up, screening junked vehicles and parts at your business.
