Get involved. Be heard!

Are you interested in making Bunnell a better place to live, work, and play? Do you want to help ensure that the City grows responsibly? Do you want to make sure the City's codes are enforced, providing a good quality of life for all its residents? If you answered yes to any of these questions, you need to volunteer for the City of Bunnell Code Board and/or the City of Bunnell Planning, Zoning, and Appeals (PZA) Board.

The City's Community Development Department is now collecting names for potential volunteers. Code Board and PZA Board meetings are each held typically one evening per month.

This is an excellent opportunity for you to serve your community, make a real difference in the lives of residents and visitors, and guarantee a more sustainable future for all.

For more information, or if you have any questions, please contact the Community Development Department at (386) 437-7516 or visit them at 2323 N State Street, Suite 60, Bunnell (Atlantis Business Park).
