Mission Statement

The City of Bunnell will provide its residents, businesses, visitors, partners and staff with value centric leadership to create a safe, sustainable, attractive, strong and vibrant community while building on our rich heritage as the foundation to improve the City's economic future and to achieve the highest possible quality of life for the overall community through the exemplary services we provide.

Vision Statement

The City of Bunnell commits to building on its heritage, while enhancing a high quality of life for all its citizens. We pledge to work in collaboration with our residents and business community to foster pride in the City, develop a vibrant and diverse economy and a thoughtful plan for the future.

The City of Bunnell declared a local state of emergency on March 18, 2020. The City continued to operate in a local state of emergency, practice social distancing and operate with alternative schedules without a drop in City services for the entire month of April.

Virtual City Meetings were held for all Boards– City Commission, Code Enforcement Board and the Planning, Zoning and Appeals Board. To join, view or participate in any of the City meetings, there are several options.

Join Zoom Meeting via INTERNET CONNECTION:

Meeting ID: 944 464 2817

Daily and sometimes hourly adjustments were made as information was released and State Executive Orders were released.

All residents and businesses are urged to continue to follow Florida Department of Health and CDC guidance, to include:

- Staying home except when engaged in essential services or activities
 - Wearing cloth face coverings when out in public
 - Practicing aggressive social distancing at all times – people should keep a minimum of 6 feet of space between one another, and keep groups to less than 10, which includes while shopping and waiting in the check-out line
 - Frequent hand washing for at least 20 seconds, or use an alcohol-based (at least 60% alcohol) hand sanitizer when soap and water are not available
- Avoiding close contact with people who are, or may be, sick

Park Re-Openings

On May 4, 2020 the City re-opened two of its parks– JB King Park and the Carver fields– and on May 18, 2020 the next City Park– EJ Park– reopened.

The parks opened at 10:00AM and closed at dusk. The delay in opening from normal park opening hours is to allow City staff time to disinfect hard surfaces within the park.

There was no access to facilities such as bathrooms and water fountains and other facilities such as playscapes, picnic tables and exercise equipment was off limits. Even though the facilities were identified as “off limits” and signed, City staff performed disinfection of the facilities each morning.

Residents are asked not to drive their cars on the sidewalks and walkways to access portions of the JB King Park such as the basketball and tennis courts. Please park all vehicles and cars in the identified parking spaces of the parking lot.

“It’s Another Great Day in Bunnell” Series

On May 18, 2020 at 6:00 PM. The first “It’s Another Great Day in Bunnell” virtual forum was hosted by the City. This is a forum to allow the City, by way of the City Manager, to provide updates about activities, events, projects and other things going on within the City. Those attending will also have the opportunity to ask questions or provide information to the City Manager.

This will continue on the third Monday of every month.

Information Technology

With the roll out of the new website, I made some tweaks to the site. I fielded some calls from our users who now have the ability to edit their own pages and upload their own documents.

Modified the redirect for the 2019 Consumer Confidence Report.

A good portion of our Administrative staff now have the ability to telecommute. Fielded some calls on connectivity issues. Otherwise remote access seemed to have gone fairly well.

Some departments have turned in the flip phones we activated for COVID-19 response. These phones have been deactivated. Still have a few being utilized by the departments.

Analytics for the new website have not been finalized as yet. So no use numbers for this month.

City Clerk Office

State of the City

Per the City Charter, the State of the City Address was to be given by the Mayor on April 27, 2020; however, due the COVID-19 event and virtual meetings, the City Commission adopted Emergency Resolution 2020-07 to postpone to State of the City Address.

The State of the City will be re-scheduled to June 22, 2020.

Due to COVID-19, Executive Orders and direction from the CDC and Health Department, staff within the City Clerk Office have adjusted work schedules and times to practice social distancing, promote the health and safety of City staff and still provide the same level of services to the Commission, City, staff and citizens.

Business Tax Receipt Renewals for FY 19/20

Since 2013, the City has partnered with the Flagler County Tax Collector for all local business tax receipt renewals.

As of April 30, 2020 there were a number of businesses which had not renewed their FY 19/20 local business tax receipt– 56 businesses within the City . With the current penalties due, this is an estimated \$7,000.00 still due to the City. Florida Statute Chapter 205 does not allow Code Enforcement action to be started until 150 days from notice (done in July 2019) has passed.

The Clerk's Office referred all the businesses in the City limits to Code Enforcement for processing.

Police Department

Much of the month was spent coordinating and obtaining necessary personal protective equipment and supplies for the officers.

The First Baptist Christian Academy class of 2020 held their graduation at the Daytona International Speedway.

The students experienced a once of a lifetime opportunity and so did Sergeant Dominic Guida & Mayor Catherine Robinson who lead the way!
