Description
Proclamation

Type
Exhibit

WHEREAS, problem gambling is a serious public health issue affecting one to three percent of the general adult population and often results in personal, financial, familial, legal, and other costs, including a high risk of suicide; and

WHEREAS, it is estimated that over 200,000 Florida adults of diverse age, race, ethnicity, and socio-economic status suffer from past-year gambling problems, and 800,000 more are at risk of developing such difficulties, constituting 4.7% of the adult population ages 18 and older; and

WHEREAS, it is further important to note that these statistics do not account for youth, who are increasingly and deceptively exposed to gambling concepts and are at an increased risk for developing gambling-related problems; and

WHEREAS, it is also essential to recognize problem gambling as a societal issue, with 8-10 additional people adversely impacted by every problem gambler, increasing the affected population by an estimated additional 1.5 million individuals, with conservative projected social costs amounting to more than \$9 billion nationally each year; and

WHEREAS, problem gambling is treatable for those who seek help, which minimizes the harm to Floridians and to the State as a whole; and

WHEREAS, the Florida Council on Compulsive Gambling's (FCCG's) public awareness campaign provides an opportunity to educate the public, policymakers, educators, businesses, mental health and criminal justice professionals, and others, about the potential adverse effects of gambling, as well as social, legal, financial, and emotional impacts and available supports; and

WHEREAS, free referrals to problem gambling resources and supports, including to licensed and certified treatment providers, self-help support groups, the FCCG's Online Program for Problem Gamblers (OPPG), the FCCG's Peer Connect Program, financial supports, legal resources, and many more are readily available to all Floridians by calling or texting the 888-ADMIT-IT Help Line; and

NOW, THEREFORE, we, the Bunnell City Commission, do hereby proclaim the month of March 2024 as "Problem Gambling Awareness Month" and encourage all citizens to help raise awareness about this issue.

Adopted this 11th day of March 2024

Catherine D. Robinson, Mayor

Kristen Bates, CMC, City Clerk

PETE YOUNG

BUNNELL CITY COMMISSION MEETING

Monday, February 26, 2024

7:00 PM

1769 East Moody Boulevard (GSB)

Chambers Room

Bunnell, FL 32110

A. Call Meeting to Order and Pledge Allegiance to the Flag

Mayor Robinson called the meeting to order at 7:00 PM and led the Pledge to the Flag.

Roll Call: Mayor Catherine Robinson; Vice Mayor John Rogers; Commissioner Tonya Gordon; Commissioner Tina-Marie Schultz; Commissioner Pete Young; City Attorney Paul Waters; City Manager Alvin B. Jackson, Jr; Community Development Director Joe Parsons; Finance Director Kristi Moss; Infrastructure Director Dustin Vost; City Clerk Kristen Bates; Deputy City Clerk Bridgitte Gunnells

Invocation for Our Military Troops and National Leaders:

Daisy Henry led the invocation.

B. Introductions, Commendations, Proclamations, and Presentations:

B.1. Presentation: Officer of the 4th Quarter 2023

Chief Brannon introduced the item and Sergeant Groth read a statement regarding the nominee Detective Traylor.

C. Consent Agenda:

C.1. Approval of Warrant

a. February 26, 2024 Warrant

C.2. Approval of Minutes

a. February 12, 2024 City Commission Meeting Minutes

C.3. Approval of Business Incentive Development Agreement for Project Calder

C.4. Acceptance of the transfer of Ownership of the Flagler County Ditch Easement Deed necessary for the Hymon Circle Project from the Flagler County Board of County Commissioners to the City of Bunnell.

C.5. Request Approval to Renew the Connect Consulting, Inc. Mutual Consent Agreement #2022-04.

Motion: Approve the Consent Agenda.

Motion by: Commissioner Schultz

Second by: Vice Mayor Rogers

Board Discussion: None

Public Discussion: None

Vote: Motion carried unanimously

D. Public Comments:

Comments regarding items not on the agenda. Citizens are encouraged to speak; however, comments are limited to four (4) minutes.

Daisy Henry (E Drain Street) stated she attended the Housing Authority meeting and expressed her concerns about a portion of MKL Ave being closed. She asked the Police Department to try to address the spinning out of tires on streets in South Bunnell.

E. Ordinances: (Legislative):

E.1. Ordinance 2024-03 Requesting to change the Future Land Use Map in the Comprehensive Plan for 2.88+/- acres of land, owned by the City of Bunnell, located at 2400 Commerce Pkwy from "Commercial-Medium (COM-M)" to "Public (PUB)" Future Land Use designation. – Second Reading

Attorney Waters read the short title into the record.

Motion: Adopt Ordinance 2024-03 Requesting to change the Future Land Use Map in the Comprehensive Plan for 2.88+/- acres of land, owned by the City of Bunnell, located at 2400 Commerce Pkwy from "Commercial-Medium (COM-M)" to "Public (PUB)" Future Land Use designation. – Second Reading

Motion by: Vice Mayor Rogers

Second by: Commissioner Schultz

Board Discussion: None

Public Discussion: None

Vote: Motion carried unanimously.

E.2. Ordinance 2024-04 Request to change the Official Zoning Map for 2.88 +/- acres of land, owned by the City of Bunnell, located at 2400 Commerce Pkwy, from the "B-1, Business District" to the "P, Public District." - Second Reading

Attorney Waters read the short title into the record.

Motion: Adopt Ordinance 2024-04 Request to change the Official Zoning Map for 2.88 +/- acres of land, owned by the City of Bunnell, located at 2400 Commerce Pkwy, from the "B-1, Business District" to the "P, Public District." - Second Reading

Motion by: Commissioner Gordon

Second by: Commissioner Schultz

Board Discussion: None

Public Discussion: None

Vote: Motion carried unanimously.

E.3. Ordinance 2024-05 Amending the Capital Improvements Plan – Second Reading

Attorney Waters read the short title into record.

Motion: Adopt Ordinance 2024-05 Amending the Capital Improvements Plan – Second Reading

Motion by: Commissioner Schultz

Second by: Vice Mayor Rogers

Board Discussion: None

Public Discussion: None

Vote: Motion carried unanimously

F. Resolutions: (Legislative):

F.1. Resolution 2024-03 Request Approval of Loan and Financing for the Bunnell Administration and Police Department Complex

Attorney Waters read the short title into the record. Finance Director Moss explained how the loan was secured and reported this is a bank qualified tax-exempt loan with a favorable rate of 5.9%.

Motion: Approve the Loan and Financing for the Bunnell Administration and Police Department Complex

Motion by: Vice Mayor Rogers

Second by: Commissioner Schultz

Board Discussion: Mayor Robinson asked about refinancing. Finance Director Moss explained there is a penalty but the value to refinance versus the penalty costs would be evaluated so the City can proceed in the most financially sound way possible. Vice Mayor thanked the Finance Department and especially Director Moss for all their hard work. He also addressed the budding of services with the City's financial institution is helping the City in many other ways.

Public Discussion: None

Vote: Motion carried unanimously.

G. Old Business: None

H. New Business:

H.1 Request Approval of Administrative Order 2024-01 for the Family Estates Rural Subdivision.

Motion: Approve Administrative Order 2024-01 for the Family Estates Rural Subdivision.

Motion by: Commissioner Gordon

Second by: Commissioner Schultz

Board Discussion: None

Public Discussion: None

Vote: Motion carried unanimously

H.2. Request Approval of Carver Center ILA

Chief Brannon presented the item to the Board. The County and School Board have approved this agreement already. The agreement addresses the duties and responsibilities of each government agency that is a party to the interlocal agreement. The facility is County owned and maintained. The City's role in this is the annual legislative contribution only; the City has no say in the operation of the facility.

Motion: Approve the Carver Center Interlocal Agreement (ILA)

Motion by: Vice Mayor Rogers

Second by: Commissioner Schultz

Board Discussion: Vice Mayor Rogers thanked Chief Brannon for representing the City on the Board and spoke to the time that has gone into drafting this agreement. He stated the City does not get a say in how the Carver Gym is operated because it is owned and maintained by the County. Mayor Robinson stated the Carver Gym is for the children in the County to use and grow up in and hopefully this expansion of programs will benefit many more children.

Public Discussion: Daisy Henry stated she serves on the Carver Advisory Board who has not seen or accepted this agreement yet. She is concerned PAL would be operating here under the Flagler County Sheriff Office. She feels PAL is being forced on the community and that the children who live around the gym will not have as many options for programs with the School Board and PAL operating in the same facility.

Vote: Motion carried unanimously

I. Reports

- **City Clerk** – advised the City lost a member of our family this week; Parks and Recreation Crew Leader Rob Myjak passed away late Sunday night. When arrangements are made by the family, the City will share them for those wishing to attend. The groundbreaking planning for both the Administration Complex and Flagler Central Commerce Parkway are in progress and invitations to the event should be sent out next week.

- **Police Chief** – Advised the Police Department will be conducting a traffic study on the area of SR 100 West where a fatal traffic accident happened over the weekend. The Police Department is participating in Spring Break Bash on March 23rd.
- **City Attorney**- None
- **City Manager**- He asked the City Commissioners to help with spreading the word on sponsorship opportunities for the Italian Festival. He discussed the Spring Break Bash being held at J.B. King Park March 23rd from 10 AM to 6 PM; this event is sponsored by the radio station and the City. He encouraged people to read the City Managers report. He announced Vice Mayor Rogers had been voted Coach of the Year and congratulated him on the honor. Mayor Robinson also recognized the City Manager for being inducted into the Lake County Schools Alumni Hall of Fame.
- **Mayor and City Commissioners**–
 - **Commissioner Young** – None
 - **Commissioner Gordon**- Thanked Kristi, City staff and the Police Department for the work they do. The purchaser of the old Moody House has been working on the property and complemented his interactions with City staff.
 - **Commissioner Schultz** – Thanked staff for their work on the Italian Festival; they meet every other week. She encouraged the members of the Commission to take sponsorship packets for the Italian Festival and to help get sponsorships wherever they might be doing business. She also reported on her meetings for the Family Life Center.
 - **Vice Mayor Rogers** – Congratulated the City Manager on his honor with being inducted into the Lake County Schools Hall of Fame. There is a TPO meeting this week that he will attend.
 - **Mayor Robinson** – spoke to a grand opening event for Poppy’s Market; she hopes people will turn out for this new local business.

J. Call for Adjournment.

Motion: Adjourn
Motion by: Vice Mayor Rogers
Seconded by: Commissioner Schiltz
Vote: Motion carried unanimously.

 Catherine D. Robinson, Mayor

 Kristen Bates, CMC, City Clerk

City of Bunnell, Florida

Agenda Item No. F.1.

Document Date: 2/13/2024 Amount:
Department: City Clerk Account #:
Subject: Resolution 2024-02 Approving the Statewide Mutual Aid Agreement (SMAA)
with the State of Florida.
Agenda Section: Resolutions: (Legislative):
Goal/Priority: Financial Stability/Sustainability, Organizational Excellence

ATTACHMENTS:

Description	Type
Proposed Resolution	Resolution
2023 Statewide Mutual Aid Agreement	Contract

Summary/Highlights:

This is a request to enter into a Statewide Mutual Aid Agreement with the State of Florida and to authorize the City Manager to execute amendments to the agreement, as needed, in the future.

Background:

The Statewide Mutual Aid Agreement (SMAA) allows for the provision of support, in an emergency or disaster, from one community (local government, district, etc.) to another within the State of Florida, to include support to and from the State itself.

The SMAA provides a process that allows communities providing Mutual Aid to claim reimbursement of incurred expenses from the community requesting Mutual Aid consistent with the Federal Emergency Management Agency (FEMA) and/or State of Florida reimbursement guidelines even without a Federal Disaster Declaration.

The State of Florida, its Counties, and all but a few local governments are participants in SMAA. Also, other political subdivisions of the state such as School Districts, Water Management Districts, etc. are frequently participants as well.

The SMAA that is currently in place was executed in 2018 and was updated by the State of Florida in 2023 to update and clarify a variety of provisions.

The Emergency Management Act, Chapter 252, Fla. Statutes, provides each local government the authority to develop and enter into a mutual aid agreement with the State of Florida for reciprocal

emergency aid and assistance in case of emergencies. The assistance is provided when emergencies are too extensive to be dealt with unassisted and to ensure the timely reimbursement of costs incurred by the local governments which render such assistance.

Staff Recommendation:

Adopt Resolution 2024-02 Approval of the Statewide Mutual Aid Agreements (SMAA) with the State of Florida.

City Attorney Review:

Approved

Finance Department Review/Recommendation:

City Manager Review/Recommendation:

Approved.

RESOLUTION 2024-02

A RESOLUTION OF THE BUNNELL CITY COMMISSION OF BUNNELL, FLORIDA AUTHORIZING THE CITY MANAGER OR THEIR DESIGNEE, TO EXECUTE STATEWIDE MUTUAL AID AGREEMENTS AND RELATED DOCUMENTS.

WHEREAS, the State of Florida Emergency Management Act, Chapter 252, Florida Statutes, authorizes the State and its political subdivisions to provide emergency aid and assistance in the event of a disaster or emergency; and

WHEREAS, the statutes also authorize the State to coordinate the provision of any equipment, services, or facilities owned or organized by the State or its political subdivisions for use in the affected area upon request of the duly constituted authority of the area; and

WHEREAS, this Resolution authorizes the request, provision, and receipt of interjurisdictional mutual assistance in accordance with the Emergency Management Act, Chapter 252, Florida Statutes, among political subdivisions within the State.

NOW, THEREFORE, be it resolved by the Bunnell City Commission of Bunnell, Florida that:

1. The City Manager, or their designee, is authorized to execute and adopt the Statewide Mutual Aid Agreement; approved as to form by the City Attorney, as well as any subsequent versions, modifications, and related documentation and attestations.
2. This Resolution shall become effective upon adoption.

DULY PASSED AND ADOPTED by the City Commission of the City of Bunnell, Florida, at a regular meeting on this 11th day of March 2024.

STATEWIDE MUTUAL AID AGREEMENT - 2023

This Agreement is an acknowledgment of receipt by the Florida Division of Emergency Management (“the Division”) and the local government (“Participating Party”) signing this Agreement. Execution of this agreement replaces all previous iterations and is active until a new agreement is drafted and requested by The Division.

This Agreement is based on the existence of the following conditions:

- A. The State of Florida is vulnerable to a wide range of emergencies and disasters that are likely to cause the disruption of essential services and the destruction of the infrastructure needed to deliver those services.
- B. Such emergencies and disasters often exceed the emergency response and recovery capabilities of any one county or local government.
- C. Such incidents may also give rise to unusual and unanticipated physical and technical needs which a local government cannot meet with existing resources, but that other local governments within the State of Florida may be able to provide.
- D. The Emergency Management Act, chapter 252, *Florida Statutes*, provides each local government of the state the authority to develop and enter into mutual aid agreements within the state for reciprocal emergency aid in case of emergencies too extensive to be dealt with unassisted, and through such agreements ensure the timely reimbursement of costs incurred by the local governments which render such assistance.
- E. Pursuant to chapter 252.32, *Florida Statutes*, the Division renders mutual aid among the political subdivisions of the state to carry out emergency management functions and responsibilities.
- F. Pursuant to chapter 252, *Florida Statutes*, the Division has the authority to coordinate and direct emergency management assistance between local governments and concentrate available resources where needed.

Based on the existence of the foregoing conditions, the Parties agree to the following articles:

ARTICLE I: DEFINITIONS

As used in this Agreement, the following expressions shall have the following meanings:

- A. The “Agreement” is this Agreement, which shall be referred to as the Statewide Mutual Aid Agreement (“SMAA”).

STATE OF FLORIDA DIVISION OF EMERGENCY MANAGEMENT

Ron DeSantis, Governor

Kevin Guthrie, Executive Director

- B. The “Division” is the Florida Division of Emergency Management.
- C. A “Requesting Party” to this Agreement is a Participating Party who requests assistance under this agreement.
- D. An “Assisting Party” to this Agreement is a Participating Party who provides assistance to a Requesting Party under this agreement.
- E. The “Period of Assistance” is the time during which an Assisting Party renders assistance to a Requesting Party under this agreement and includes the time necessary for the resources and personnel of the Assisting Party to travel to the place specified by the Requesting Party and the time necessary to return to their place of origin.
- F. A “Mission” is a documented emergency response activity performed during a Period of Assistance, usually in reference to one operational function or activity.
- G. A “local government” is any educational district, special district, or any entity that is a “local governmental entity” within the meaning of section 11.45(1)(g), *Florida Statutes*.
- H. An “educational district” is any school district within the meaning of section 1001.30, *Florida Statutes*, and any Florida College System Institution or State University within the meaning of section 1000.21, *Florida Statutes*.
- I. A “special district” is any local or regional governmental entity which is an independent special district within the meaning of section 189.012(3), *Florida Statutes*, established by local, special, or general act, or by rule, ordinance, resolution, or interlocal agreement.
- J. A “tribal council” is the respective governing bodies of the Seminole Tribe of Florida and Miccosukee Tribe of Indians recognized as special improvement district by section 285.18(1), *Florida Statutes*.
- K. An “interlocal agreement” is any agreement between local governments within the meaning of section 163.01(3)(a), *Florida Statutes*.
- L. A “Resource Support Agreement” as used in this Agreement refers to a supplemental agreement of support between a Requesting Party and an Assisting Party.
- M. “Proof of work” as used in this Agreement refers to original and authentic documentation of a single individual or group of individuals’ emergency response activity at a tactical level.

STATE OF FLORIDA DIVISION OF EMERGENCY MANAGEMENT

Ron DeSantis, Governor

Kevin Guthrie, Executive Director

- N. "Proof of payment" as used in this Agreement refers to original and authentic documentation of an emergency response expenditure made by an Assisting Party.
- O. A "Reimbursement Package" as used in this Agreement refers to a full account of mission response documentation supported by proof of work and proof of payment.
- P. Any expressions not assigned definitions elsewhere in this Agreement shall have the definitions assigned them by the Emergency Management Act, Chapter 252, *Florida Statutes*.

ARTICLE II: APPLICABILITY OF THE AGREEMENT

Any Participating Party, including the Division, may request assistance under this Agreement for a "major disaster" or "catastrophic disaster" as defined in section 252.34, *Florida Statutes*, minor disasters, and other such emergencies as lawfully determined by a Participating Party.

ARTICLE III: INVOCATION OF THE AGREEMENT

In the event of an emergency or anticipated emergency, a Participating Party may request assistance under this Agreement from any other Participating Party or the Division if, in the judgement of the Requesting Party, its own resources are inadequate to meet the needs of the emergency or disaster.

- A. Any request for assistance under this Agreement may be oral, but within five (5) calendar days must be confirmed in writing by the Requesting Party. All requests for assistance under this Agreement shall be transmitted by the Requesting Party to another Participating Party or the Division. If the Requesting Party transmits its request for Assistance directly to a Participating Party other than the Division, the Requesting Party and Assisting Party shall keep the Division advised of their activities.
- B. The Division shall relay any requests for assistance under this Agreement to such other Participating Parties as it may deem appropriate and coordinate the activities of the Assisting Parties to ensure timely assistance to the Requesting Party. All such activities shall be carried out in accordance with the State's Comprehensive Emergency Management Plan.

ARTICLE IV: RESPONSIBILITIES OF REQUESTING PARTIES

To the extent practicable, all Requesting Parties shall provide the following information to their respective county emergency management agency, the Division, and the intended Assisting Party or Parties. In providing such information, Requesting Parties should utilize Section I of the

STATE OF FLORIDA DIVISION OF EMERGENCY MANAGEMENT

Ron DeSantis, Governor

Kevin Guthrie, Executive Director

Resource Support Agreement (RSA) Form, available via the [Division approved documents SharePoint site](#)¹.

- A. A description of the Mission to be performed by the Assisting Party;
- B. A description of the resources and capabilities needed to complete the Mission successfully;
- C. The location, date, and time personnel and resources from the Assisting Party should arrive at the incident site, staging area, facility, or other location designated by the Requesting Party;
- D. A description of the health, safety, and working conditions expected for deploying personnel;
- E. Lodging and meal availability;
- F. Any logistical requirements;
- G. A description of any location or facility outside the territorial jurisdiction of the Requesting Party needed to stage incoming resources and personnel;
- H. The location date, and time for personnel of the Requesting Party to meet and receive the personnel and equipment of the Assisting Party; and
- I. A technical description of any communications equipment needed to ensure effective information sharing between the Requesting Party, any Assisting Parties, and all relevant responding entities.

ARTICLE V: RESPONSIBILITIES OF ASSISTING PARTIES

Each Party shall render assistance under this Agreement to any Requesting Party to the extent practicable that its personnel, equipment, resources, and capabilities can render assistance. If upon receiving a request for assistance under this Agreement a Party determines that it has the capacity to render some or all of such assistance, it shall provide the following information without delay to the Requesting Party, the Division, and the Assisting Party's County emergency management agency. In providing such information, the Assisting Party should utilize the Section II of the Resource Support Agreement (RSA) Form, available via the [Division approved documents SharePoint site](#).

¹ FDEM approved documents such as activity logs and mutual aid forms can be found at:
https://portal.floridadisaster.org/projects/FROC/FROC_Documents/Forms/AllItems.aspx?View=%7B6F3CF7BD%2DC0A4%2D4BE2%2DB809%2DC8009D7D0686%7D

STATE OF FLORIDA DIVISION OF EMERGENCY MANAGEMENT

Ron DeSantis, Governor

Kevin Guthrie, Executive Director

- A. A description of the personnel, equipment, supplies, services and capabilities it has available, together with a description of the qualifications of any skilled personnel;
- B. An estimate of the time such personnel, equipment, supplies, and services will continue to be available;
- C. An estimate of the time it will take to deliver such personnel, equipment, supplies, and services to the location(s) specified by the Requesting Party;
- D. A technical description of any communications and telecommunications equipment available for timely communications with the Requesting Party and other Assisting Parties;
- E. The names and contact information of all personnel whom the Assisting Party has designated as team leaders or supervisors; and
- F. An estimated cost for the provision of assistance.

ARTICLE VI: RENDITION OF ASSISTANCE

The Requesting Party shall afford the emergency response personnel of all Assisting Parties, while operating within the jurisdictional boundaries of the Requesting Party, the same powers, duties, rights, and privileges, except that of arrest unless specifically authorized by the Requesting Party, as are afforded the equivalent emergency response personnel of the Requesting Party. Emergency response personnel of the Assisting Party will remain under the command and control of the Assisting Party, but during the Period of Assistance, the resources and responding personnel of the Assisting Party will perform response activities under the operational and tactical control of the Requesting Party.

- A. Unless otherwise agreed upon between the Requesting and Assisting Party, the Requesting Party shall be responsible for providing food, water, and shelter to the personnel of the Assisting Party. For Missions performed in areas where there are insufficient resources to support responding personnel and equipment throughout the Period of Assistance, the Assisting Party shall, to the fullest extent practicable, provide their emergency response personnel with the equipment, fuel, supplies, and technical resources necessary to make them self-sufficient throughout the Period of Assistance. When requesting assistance, the Requesting Party may specify that Assisting Parties send only self-sufficient personnel and resources but must specify the length of time self-sufficiency should be maintained.

STATE OF FLORIDA DIVISION OF EMERGENCY MANAGEMENT

Ron DeSantis, Governor

Kevin Guthrie, Executive Director

- B. Unless the Requesting Party has specified the contrary, it shall, to the fullest extent practicable, coordinate all communications between its personnel and the responding personnel of the Assisting Parties, and shall determine and share the frequencies and other technical specifications of all communications equipment to be used, as appropriate, with the deployed personnel of the Assisting Parties.
- C. Personnel of the Assisting Party who render assistance under this Agreement shall receive the usual wages, salaries, and other compensation as are normally afforded to personnel for emergency response activities within their home jurisdiction, and shall have all the immunities, rights, interests, and privileges applicable to their normal employment. If personnel of the Assisting Party hold local licenses or certifications limited to the jurisdiction of issue, then the Requesting Party shall recognize and honor those licenses or certifications for the duration of the Period of Assistance.

ARTICLE VII: REIMBURSEMENT

After the Period of Assistance has ended, the Assisting Party shall have 45 days to develop a full reimbursement package for services rendered and resources supplied during the Period of Assistance. All expenses claimed to the Requesting Party must have been incurred in direct response to the emergency as requested by the Requesting Party and must be supported by proof of work and proof of payment.

To guide the proper documentation and accountability of expenses, the Assisting Party should utilize the Claim Summary Form, available via the [Division approved documents SharePoint site](#) as a guide and summary of expense to collect information to then be formally submitted for review by the Requesting Party.

To receive reimbursement for assistance provided under this agreement, the Assisting Party shall provide, at a minimum, the following supporting documentation to the Requesting Party unless otherwise agreed upon between the Requesting and Assisting Parties:

- A. A complete and authentic description of expenses incurred by the Assisting Party during the Period of Assistance;
- B. Copy of a current and valid Internal Revenue Service W-9 Form;
- C. Copies of all relevant payment and travel policies in effect during the Period of Assistance;
- D. Daily personnel activity logs demonstrating emergency response activities performed for all time claimed (for FDEM reimbursement Division approved activity logs will be required for personnel activity claims);

STATE OF FLORIDA DIVISION OF EMERGENCY MANAGEMENT

Ron DeSantis, Governor

Kevin Guthrie, Executive Director

- E. Official payroll and travel reimbursement records for all claimed personnel expenses;
- F. Neat and comprehensive fringe benefit calculations for each position class or category of claimed personnel;
- G. Written justification for all additional expenses/purchases incurred during the Period of Assistance;
- H. Proof of payment for additional/miscellaneous expenses incurred during the Period of Assistance
- I. Equipment activity logs demonstrating equipment use and operation in support of emergency response activities for all time claimed (for FDEM reimbursement Division approved forms will be required for equipment activity claims);
- J. Proof of reimbursement to all employees who incurred emergency response expenses with personal money;
- K. Justification for equipment repair expenses; and
- L. Copies of any applicable supporting agreements or contracts with justification.

If a dispute or disagreement regarding the eligibility of any expense arises, the Requesting Party, Assisting Party, or the Division may elect binding arbitration. If binding arbitration is elected, the Parties must select as an arbitrator any elected official of another Participating Party, or any other official of another Participating Party whose normal duties include emergency management, and the other Participating Party shall also select such an official as an arbitrator, and the arbitrators thus chosen shall select another such official as a third arbitrator.

The three (3) arbitrators shall convene by teleconference or videoconference within thirty (30) calendar days to consider any documents and any statements or arguments by the Division, the Requesting Party, or the Assisting Party concerning the protest, and shall render a decision in writing not later than ten (10) business days after the close of the hearing. The decision of a majority of the arbitrators shall bind the parties and shall be final.

If the Participating Parties do not elect binding arbitration, this agreement and any disputes arising thereunder shall be governed by the laws of the State of Florida and venue shall be in Leon County, Florida. Nothing in this Agreement shall be construed to create an employer-employee relationship or a partnership or joint venture between the participating parties. Furthermore, nothing contained herein shall constitute a waiver by either Party of its sovereign immunity or the provisions of section 768.28, Florida Statutes. Nothing herein shall be construed as consent by either Party to be sued by third parties.

STATE OF FLORIDA DIVISION OF EMERGENCY MANAGEMENT

Ron DeSantis, Governor

Kevin Guthrie, Executive Director

ARTICLE VIII: COST ELIGIBLE FOR REIMBURSEMENT

The costs incurred by the Assisting Party under this Agreement shall be reimbursed as needed to make the Assisting Party whole to the fullest extent practicable.

- A. Employees of the Assisting Party who render assistance under this Agreement shall be entitled to receive from the Assisting Party all their usual wages, salaries, and any and all other compensation for mobilization, hours worked, and demobilization. Such compensation shall include any and all contributions for insurance and retirement, and such employees shall continue to accumulate seniority at the usual rate. As between the employees and the Assisting Party, the employees shall have all the duties, responsibilities, immunities, rights, interests, and privileges incident to their usual employment. The Requesting Party shall reimburse the Assisting Party for these costs of employment.
- B. The costs of equipment supplied by the Assisting Party shall be reimbursed at the rental rate established in FEMA' s Schedule of Equipment, or at any other rental rate agreed to by the Requesting Party. In order to be eligible for reimbursement, equipment must be in actual operation performing eligible work. The labor costs of the operator are not included in the rates and should be approved separately from equipment costs. The Assisting Party shall pay for fuels, other consumable supplies, and repairs to its equipment as needed to keep the equipment in a state of operational readiness. Rent for the equipment shall be deemed to include the cost of fuel and other consumable supplies, maintenance, service, repairs, and ordinary wear and tear. With the consent of the Assisting Party, the Requesting Party may provide fuels, consumable supplies, maintenance, and repair services for such equipment at the site. In that event, the Requesting Party may deduct the actual costs of such fuels, consumable supplies, maintenance, and services from the total costs otherwise payable to the Assisting Party. If the equipment is damaged while in use under this Agreement and the Assisting Party receives payment for such damage under any contract of insurance, the Requesting Party may deduct such payment from any item or items billed by the Assisting Party for any of the costs for such damage that may otherwise be payable.
- C. The Requesting Party shall pay the total costs for the use and consumption of any and all consumable supplies delivered by the Assisting Party for the Requesting Party under this Agreement. In the case of perishable supplies, consumption shall be deemed to include normal deterioration, spoilage, and damage notwithstanding the exercise of reasonable care in its storage and use. Supplies remaining unused shall be returned to the Assisting Party in usable condition upon the close of the Period of Assistance, and the Requesting Party may deduct the cost of such returned supplies from the total costs billed by the Assisting Party for such supplies. If the Assisting Party agrees, the Requesting Party may also replace any and all used consumable supplies with like

STATE OF FLORIDA DIVISION OF EMERGENCY MANAGEMENT

Ron DeSantis, Governor

Kevin Guthrie, Executive Director

supplies in usable condition and of like grade, quality and quantity within the time allowed for reimbursement under this Agreement.

- D. The Assisting Party shall keep records to document all assistance rendered under this Agreement. Such records shall present information sufficient to meet the audit requirements specified in the regulations of FEMA and any applicable circulars issued by the State of Florida. Upon reasonable notice, the Assisting Party shall make its records available the Requesting Party for inspection or duplication between 8:00 a.m. and 5:00 p.m. on all weekdays, except for official holidays.

ARTICLE IX: INSURANCE

Each Participating Party shall determine for itself what insurance to procure, if any. With the exceptions in this Article, nothing in this Agreement shall be construed to require any Participating Party to procure insurance.

- A. Each Participating Party shall procure employers' insurance meeting the requirements of the Workers' Compensation Act, as amended, affording coverage for any of its employees who may be injured while performing any activities under the authority of this Agreement, and shall be provided to each Participating Party.
- B. Any Participating Party that elects additional insurance affording liability coverage for any activities that may be performed under the authority of this Agreement shall be provided to each Participating Party.
- C. Subject to the limits of such liability insurance as any Participating Party may elect to procure, nothing in this Agreement shall be construed to waive, in whole or in part, any immunity any Participating Party may have in any judicial or quasi-judicial proceeding.
- D. Each Participating Party which renders assistance under this Agreement shall be deemed to stand in the relation of an independent contractor to all other Participating Parties and shall not be deemed to be the agent of any other Participating Party.
- E. Nothing in this Agreement shall be construed to relieve any Participating Party of liability for its own conduct and that of its employees.
- F. Nothing in this Agreement shall be construed to obligate any Participating Party to indemnify any other Participating Party from liability to third parties.

STATE OF FLORIDA DIVISION OF EMERGENCY MANAGEMENT

Ron DeSantis, Governor

Kevin Guthrie, Executive Director

ARTICLE X: GENERAL REQUIREMENTS

Notwithstanding anything to the contrary elsewhere in this Agreement, all Participating Parties shall be subject to the following requirements in the performance of this Agreement:

- A. All Participating Parties shall allow public access to all documents, papers, letters, or other materials subject to the requirements of the Public Records Act, as amended, and made or received by any Participating Party in conjunction with this Agreement.
- B. No Participating Party may hire employees in violation of the employment restrictions in the Immigration and Nationality Act, as amended.
- C. No costs reimbursed under this Agreement may be used directly or indirectly to influence legislation or any other official action by the Legislature of the State of Florida or any of its agencies.
- D. Any communication to the Division under this Agreement shall be sent via either email, the Division of Emergency Managements Enterprise System (DEMES), or mail to the Response Bureau, Florida Division of Emergency Management, 2555 Shumard Oak Boulevard, Tallahassee, Florida 32399-2100.
- E. Any communication to a Participating Party shall be sent to the official or officials specified by that Participating Party. For the purpose of this section, any such communication may be sent by the U.S. Mail, e-mail, or other electronic platforms.

ARTICLE XI: EFFECTS OF AGREEMENT

Upon its execution by a Participating Party, this Agreement shall have the following effect with respect to that Participating Party:

- A. The execution of this Agreement by any Participating Party which is a signatory to the Statewide Mutual Aid Agreement of 1994 shall terminate the rights, interests, duties, responsibilities, and obligations of that Participating Party under the Statewide Mutual Aid Agreement of 1994, but such termination shall not affect the liability of the Participating Party for the reimbursement of any costs due under the Statewide Mutual Aid Agreement of 1994, regardless of whether such costs are billed or unbilled.
- B. The execution of this Agreement by any Participating Party which is a signatory to the Public Works Mutual Aid Agreement shall terminate the rights, interests, duties, responsibilities and obligations of that Participating Party under the Public Works Mutual Aid Agreement, but such termination shall not affect the liability of the Participating Party for the reimbursement of any costs due under the Public Works Mutual Aid Agreement,

STATE OF FLORIDA DIVISION OF EMERGENCY MANAGEMENT

Ron DeSantis, *Governor*

Kevin Guthrie, *Executive Director*

regardless of whether such costs are billed or unbilled.

- C. Upon the activation of this Agreement by the Requesting Party, this Agreement shall supersede any other existing agreement between it and any Assisting Party to the extent that the former may be inconsistent with the latter.
- D. Upon its execution by any Participating Party, this Agreement will continue in effect for one (1) year from its date of execution by that Participating Party, and it shall automatically renew each year after its execution, unless within sixty (60) calendar days before the renewal date the Participating Party notifies the Division, in writing, of its intent to withdraw from the Agreement.
- E. The Division shall transmit any amendment to this Agreement by sending the amendment to all Participating Parties not later than five (5) business days after its execution by the Division. Such amendment shall take effect not later than sixty (60) calendar days after the date of its execution by the Division and shall then be binding on all Participating Parties. Notwithstanding the preceding sentence, any Participating Party who objects to the amendment may withdraw from the Agreement by notifying the Division in writing of its intent to do so within that time in accordance with section E of this Article.
- F. A Participating Party may rescind this Agreement at will after providing the other Participating Party a written SMAA withdrawal notice. Such notice shall be provided at least 30 days prior to the date of withdrawal. This 30-day withdrawal notice must be: written, signed by an appropriate authority, duly authorized on the official letterhead of the Participating Party, and must be sent via email, the Division of Emergency Managements Enterprise System (DEMES), or certified mail.

ARTICLE XII: INTERPRETATION AND APPLICATION OF AGREEMENT

The interpretation and application of this Agreement shall be governed by the following conditions:

- A. The obligations and conditions resting upon the Participating Parties under this Agreement are not independent, but dependent.
- B. Time shall be of the essence of this Agreement, and of the performance of all conditions, obligations, duties, responsibilities, and promises under it.
- C. This Agreement states all the conditions, obligations, duties, responsibilities, and promises of the Participating Parties with respect to the subject of this Agreement, and there are no conditions, obligations, duties, responsibilities, or promises other than those expressed in this Agreement.

STATE OF FLORIDA DIVISION OF EMERGENCY MANAGEMENT

Ron DeSantis, Governor

Kevin Guthrie, Executive Director

- D. If any sentence, clause, phrase, or other portion of this Agreement is ruled unenforceable or invalid, every other sentence, clause, phrase, or other portion of the Agreement shall remain in full force and effect, it being the intent of the Division and the other Participating Parties that every portion of the Agreement shall be severable from every other portion to the fullest extent practicable. The Division reserves the right, at its sole and absolute discretion, to change, modify, add, or remove portions of any sentence, clause, phrase, or other portion of this Agreement that conflicts with state law, regulation, or policy. If the change is minor, the Division will notify the Participating Party of the change and such changes will become effective immediately; therefore, please check these terms periodically for changes. If the change is substantive, the Participating Parties may be required to execute the Agreement with the adopted changes. Any continued or subsequent use of this Agreement following the posting of minor changes to this Agreement shall signify implied acceptance of such changes.
- E. The waiver of any obligation or condition in this Agreement by a Participating Party shall not be construed as a waiver of any other obligation or condition in this Agreement.

NOTE: This iteration of the State of Florida Statewide Mutual Aid Agreement will replace all previous versions.

The Division shall provide reimbursement to Assisting Parties in accordance with the terms and conditions set forth in this Article for missions performed at the direct request of the Division. Division reimbursement eligible expenses must be in direct response to the emergency as requested by the State of Florida. All required cost estimations and claims must be executed through the DEMES Mutual Aid Portal and assisting agencies must use all required [FDEM forms](#) for documentation and cost verification. If a Requesting Party has not forwarded a request through the Division, or if an Assisting Party has rendered assistance without being requested to do so by the Division, the Division shall not be liable for the costs of any such assistance.

FDEM reserves the right to deny individual reimbursement requests if deemed to not be in direct response to the incident for which asset was requested.

IN WITNESS WHEREOF, the Parties have duly executed this Agreement on the date specified below:

City of Bunnell, Florida

Agenda Item No. H.1.

Document Date: 2/22/2024 Amount: \$53,003.46
Department: Infrastructure Account #: 001-0541-541.6400 -
001-590-590.9900
Subject: Request Approval to Reallocate Contingency Funds for a Capital Equipment
Replacement Purchase and Approval of the Purchase
Agenda Section: New Business:
Goal/Priority: Infrastructure

ATTACHMENTS:

Description	Type
John Deere Quote	Quote
DMS State Term Contract	Contract

Summary/Highlights:

The Infrastructure Department is requesting approval to transfer contingency funds in the amount of \$53,003.46 to capital equipment to purchase a replacement tractor for the Public Works department.

Background:

The Public Works department is in dire need of a new tractor and is requesting approval to purchase a new 2024 John Deere Tractor 5090E with a selling price of \$64,003.46 and trade in the current 2005 John Deere Tractor 5525 (equipment #718; VIN #154014) for an allowance of \$11,000, bringing the total purchase price to \$53,003.46.

The current tractor is in need of parts for hydraulic system failure, along with numerous other part failures which are unavailable due to the age of the equipment. If approved the new tractor will allow the safe and reliable use of the bat wing mower, bush hog mower, and the dirt road drag system. The local John Deere dealer (Ag-Pro) was awarded a State Term Contract (#25101900-21-STC, effective through 12.31.2026) with the Department of Management Services which offers discounts off MSRP for base equipment and accessories, which the City is eligible to use.

Due to budget constraints the city has only budgeted minimal funding for capital replacements for the Public Works Department. This replacement is required to continue to provide current services.

As part of the FY 2023-24 Adopted Budget, \$186,617.16 was budgeted for purchases of this nature.

Staff Recommendation:

Approve the transfer from contingency funds to Public Works capital equipment for a replacement John Deere Tractor purchase in an amount not to exceed \$53,003.46 with current tractor trade-in value of \$11,000.00 and approval of the purchase.

City Attorney Review:

Finance Department Review/Recommendation:

Approve the transfer from contingency funds to Public Works capital equipment for a replacement John Deere Tractor purchase in an amount not to exceed \$53,003.46 with current tractor trade-in value of \$11,000.

City Manager Review/Recommendation:

Reviewed for placement on the agenda

2024 JOHN DEERE TRACTOR 5090E

Product Specification Details :

Manufacturer: John Deere 5090E (Model year 2024)

Model

Engine specifications

Description	John Deere PowerTech 4045 PWL
Engine type	4045HLV76
Engine family	NJDXL04.5315
Rated speed	2400 rpm
Aspiration	Turbocharged and Aftercooled
Cylinders liners	Wet sleeved
Emission level	Final Tier 4
After treatment type	DOC/SCR
Displacement	4 cylinders: 4.5 L 276 cu in.

Engine performance

Rated power	At 2400 rpm: 67.1 kW 90 hp
Rated PTO power (hp SAE)	At 2400 rpm: 56.0 kW 75 hp
Maximum PTO power	---
Intelligent Power Management (IPM)	---
Transport and/or mobile PTO applications	---
Hydraulic applications	---
Power boost	At 2200 rpm: 2 percent
Maximum engine power	68.6 kW 92 hp
Engine peak torque	At 1600 rpm: 347 Nm 255 lb-ft

Differentials, axles, frame, and chassis

A durable, mechanical front-wheel drive (MFWD) axle increases traction in tough conditions

Heavy-duty MFWD front axle on 5E

MFWD front axle on 5M with turnable fenders

Overview

Increase drawbar pull and improve traction when operating in slippery conditions with a limited-slip, heavy-duty MFWD front axle.

Benefits

- Reduce wheel slippage in demanding conditions by getting the required torque to the ground
- Diminish soil compaction with less tractor ballasting compared to two-wheel drive (2WD)
- Increase fuel economy
- Longer tire life
- Excellent maneuverability and high crop clearance

Quote ID :30058375Customer Name : CITY OF BUNNELL

Additional details

MFWD engagement switch on right hand console on 5M

Steering connections are protected by axle shown on 5E 3-Cylinder

Turn around in tight spaces with a tight turning radius. Operate with consistent performance and enjoy a comfortable ride from axle oscillation that follows uneven terrain.

Axle oscillation also reduces the stress and maintenance cost on the axle spindles because loads are consistently spread across the entire axle. The centerline design eliminates the need for drive shaft universal joints that require regular maintenance. Anti-wrap shielding on the driveline is standard to prevent crop material and debris from building around the driveline and ensures tractor performance. Minimize maintenance time while maximizing front axle performance with three grease points conveniently located.

NOTE: When MFWD is engaged, an indicator light will appear on the dash. See [operator's manual](#) for additional details on operation and adjustment.

MFWD on 5075EN

Narrow MFWD Axle on 5ML Cab

Hitch, drawbar, and PTO

Category 2, 3-point hitch lift capacity provides implement versatility

Quote ID :30058375Customer Name : CITY OF BUNNELL

3-point hitch 5EN Tractor

EH hitch controls

Overview

Heavy-duty 3-point hitch provides lift capacity and adjustability for implement versatility with Category 2 implements or adaptable to Category 1. Precisely raise and lower implements using the rockshaft control lever. The operator can also adjust the speed at which an implement is lowered by adjusting the rockshaft rate of drop.

Benefits

- Convenience hooking up implements to rear implements
- Consistency when lowering hitch with depth stop electrohydraulic hitch controls - each time the position control lever is pushed forward, it stops where the depth stop has been positioned. Useful when preparing a seedbed.
- Compatible with implements needed to perform multiple jobs. See Specifications for lift capacity by model.
- Convenience when leveling implements with both lift links being able to adjust without tools - lift links can be adjusted for lateral float to allow implements with gauge wheels or skids to follow the ground contour

Additional details

Fixed draft link with ball end

Stabilizer bar

Transmission

Effective in demanding applications - PowrReverser™ 12Fx12R transmission

5075E doing loader work

5EN mowing

Overview

Ample speeds and ease of operation for demanding applications with the 12F x 12R PowrReverser. This transmission comes standard with a dual speed 540/540 economy power take-off (E-PTO) is ideal for applications requiring frequent directional changes such as loader work.

Benefits

- Effortlessly switch directions with a small finger motion using the clutch-less electrohydraulic fingertip directional lever
- Frees the right-hand to operate other tractor controls, such as the loader, rear implements, or throttle, as the directional lever allows the operator to steer and shift direction with the left-hand
- The control is located on the left side of the steering column and selects forward, reverse, and neutral positions
- Ideal for rear blading and any applications that require frequent directional changes in tight spaces
- Lower engine vibration, reduced noise, less wear and tear on the engine, reduced fuel consumption, and increased operator comfort from the standard economy PTO (E-PTO)

Orange gear and range shift levers 5E Standard

Orange gear and range shift levers 5EN

Quote ID :30058375Customer Name : CITY OF BUNNELL

Additional detail

NOTE: A neutral start switch requires the directional lever be in the neutral position to start the engine.

Electrohydraulic reverser lever

12F/12R transmission includes:

- Hydraulic wet clutches (forward and reverse)
 - Maximize durability and outlast the life of any dry clutch
 - When tractors are run by multiple operators with a variety of experience levels, a wet clutch is the best way to maintain transmission integrity and performance while decreasing clutch replacement costs
- Platform-mounted shift levers (four gears, three ranges)
 - Two platform-mounted levers offer easy and comfortable shifting for a pleasant operator experience
 - The gear-shift lever is easy to reach, and the less-used range lever is shorter. Unique knobs make it easy to distinguish between the two
- Left-hand reverser
- Constant-mesh helical-cut gears
 - Provide quieter operation and excellent reliability while the pressure-lubricated top shaft adds to the transmission durability
 - Fully enclosed, rigid shift linkages for short throw and crisp shifts enable all operators to clearly know in what range and gear they are operating
- Pressure-lubricated top shaft
- Positive park pawl: provides positive park and eliminates the need for a hand brake
- Neutral start switch

The forward lever selects one of four gears. The operator must depress the clutch while shifting. The rear lever selects one of three ranges: A, B, or C.

The PowrReverser has a built-in engagement override valve for additional safety. This valve requires the clutch pedal to be depressed one time after each engine start before the transmission will begin to operate normally, giving the operator another opportunity to put all focus on the tractor.

The speed of directional changes can be adjusted to the operator's preference or application demands with the field-installed [infinitely-variable control kit](#).

See the PTO functional area for more information on E-PTO.

Operator station and controls

Intuitive operating controls - controls overview

Quote ID :30058375Customer Name : CITY OF BUNNELL

5E 4-cylinder display center

Overview

Overall comfort and convenient operator experience are provided by the controls on 5E Series Tractors.

Benefits

- Conveniently located control, levers, buttons, and switches
- Easy to use and understand controls
- Straightforward recognition and association with color-coded controls

Transmission controls:

Gear and range shift levers are located to the right of the operator. Unique knobs make it easier to distinguish between the levers.

Range and gear shift levers - OOS

Range and gear shift levers – Cab

A foot throttle with a platform pedal is located on the right side of the operator for throttle adjustment by the right foot.

Foot throttle pedal - OOS

Foot throttle pedal – Cab

Reverser

On all tractors equipped with the 12Fx12R and 24Fx12R PowrReverser™ transmissions, the electrohydraulic forward/reverse direction lever is located on the left-hand side of the instrument console, connected to the steering column. Operated with the left-hand finger, the right-hand is free to simultaneously run the loader, hitch, or hand throttle.

Quote ID :30058375Customer Name : CITY OF BUNNELL

3-point hitch controls:

Mechanical hitch controls are available with the standard open operator station and the standard cab. A depth stop allows the operator to preset the hitch depth. This increases consistency pass by pass and decreases the need to make repeated trips over the same ground.

The hitch lever control allows convenient, precise control of the hitch, especially useful when hooking up implements.

Hitch control levers - OOS

Hitch control levers - Cab

The rate-of-drop control knob is behind the seat and sets how fast the rockshaft lowers to the ground.

Rate of drop control knob – OOS

Rockshaft rate of drop – Cab

The draft-sensing knob is to the right of the hitch controls on the right-hand console. This adjustment measures the load sensitivity of the 3-point hitch and allows the hitch to quickly raise or lower to control the load on the engine.

Power take-off (PTO) controls:

Electrohydraulic PTO engagement

Quote ID :30058375Customer Name : CITY OF BUNNELL

PTO push-pull knob

In the cab, an easy-to-use push-pull knob engages and disengages the PTO independently of the transmission traction clutch. 5E Tractors come with an electrohydraulic PTO engagement to reduce operator fatigue.

The push/pull knob on open station tractors is conveniently located beside the hand throttle on the right-hand side of the operator. When the PTO is engaged, a light on the instrument panel will illuminate and PTO speed can be seen on the target bars.

E-PTO lever

The economy (E-PTO) lever is located to the left and to the rear of the operator on both open operator station (OOS) and cab tractors.

Enhancing operator safety, the tractor does not start with the PTO shaft engaged. An alarm sounds if the operator attempts to leave the seat with the PTO engaged and the PTO shaft is protected by a hinged shield.

Hydraulics:

The color coded bands on the levers which control dual and triple rear SCVs. The color of these bands corresponds to the color of the dust cap and the SCV valve they control.

Regen filter switch:

Inhibit switch

In order to inhibit passive system regeneration, the operator must hold down the spring loaded inhibit switch in the down position for five seconds. This logic ensures the system will require very purposeful operation to inhibit. It actually cycles on the key switch and will default back to automatic mode on every tractor start up, increasing customer uptime.

Quote ID :30058375Customer Name : CITY OF BUNNELL

Mechanical front-wheel drive (MFWD) controls:

All four-wheel drive (4WD) axles are equipped with the engage-on-the-go MFWD. This toggle switch is located on the right-hand console.

MFWD toggle switch

Light position dial:

The five-position lighting package is straightforward with the lighting control switch on the right side of the steering column. The switch positions are: off, warning, worklight, transport 1 (warning and high-beam headlights), and transport 2 (warning and headlights). A turn-signal lever is located on the left side of the steering column for quick and easy use.

Light selector dial

Hydraulics

Selective control valve (SCV) system and options

Quote ID :30058375Customer Name : CITY OF BUNNELL

Dual stackable SCV

Overview

5E 4-Cylinder and 5M Series Tractors can be equipped with as many as six (up to three rear and three mid) economical and versatile spool-type SCVs. These SCVs provide a high-flow rate for the tractor's hydraulic system with the open-center hydraulic system.

Benefits

- Full range of motion to quickly move implements or gently make fine adjustments with large valves and solenoids; that makes a huge difference when picking up hundreds of hay bales or powering external hydraulic motors
- Clean, efficient system from cables that control the valves mount directly to the SCV
- Stackable SCVs give producers a cost-effective way to add or replace rear or mid control valves
- Color coordinated controls located on the right side provide a user-friendly and enhanced operator experience
- Reduce effort required to switch implements with the ability to couple and uncouple under pressure with the International Standards Organization (ISO) push-pull couplers

Additional details

		5E 4-Cylinder and 5EL	5M PowrReverser™ and 5MH	5M PowrQuad™ PLUS/ Powr8™
Rear SCV	Dual	Base	Base	Base
	Triple	Option	Option	Option
Mid SCV	Less	Base	Option	---
	Dual	Option	Base	Base
	Triple	Field-Install only	Option	Option

Quote ID :30058375Customer Name : CITY OF BUNNELL

Stackable SCVs are built so that individual valves can be easily added or removed to both the mid and rear SCV. Customers will be able to upgrade and add SCVs without needing to replace the entire block. Additionally, customers not using the tractor for loader work can select a less mid SCV option from the factory.

All rear SCVs are lever controlled, and couplers are equipped with flip-up dust covers to prevent dirt and debris from entering the hydraulic system ensuring efficient and reliable performance.

Selectable flow control on first valve with triple rear

SCV Knob Position	SCV Lever Detent	Example Application
Continuous Detent (Motor) (C) for motor operation	Holds lever in operating position until manually returned to neutral.	Hydraulic hay rake or planter where hydraulic motors are used
No Detent (Loader) (D) for loader operation	Lever returns to neutral when released.	Loader or box blade with top and tilt requiring precise adjustments
Automatic Detent (Cylinder) (E) for cylinder operation	Lever automatically returns to neutral when a cylinder reaches the end of stroke.	Disk or rotary cutter where implement is frequently raised and lowered
Read Operator's Manual (B)	Not a selectable setting.	Not a selectable setting.

The triple deluxe rear SCVs feature one section with flow control and selectable detent. The remaining sections do not offer flow control or selectable detents. Dual standard rear and mid SCVs do not offer flow control or selectable detent.

The SCVs also offer pressure tap diagnostics for easy service and checkups. A check valve has been added on the extend side of the SCV to reduce leakage. This same technology delivers a tighter bleed tolerance when lift cylinders are held under force. Hydraulic holding capability is improved for all hydraulic applications.

Engine

Power bulge and torque reserve pull through the tough spots

Quote ID :30058375Customer Name : CITY OF BUNNELL

Power bulge and torque curve

Overview

When the tractor is under load, power bulge and torque rise work together to get through the tough spots without having to downshift.

As rpm drops, the only way to maintain or increase horsepower is to provide additional torque. Whether bailing wet hay or lifting a heavy load, the additional power allows the tractor to continue performing the job without stopping. The rated economy power take-off (EPTO) speed occurs near the peak torque rise providing power when operator need it in PTO applications.

Benefits

- Increased productivity in demanding conditions with more power when operator need it
- More lugging ability for quicker power recovery
- Additional torque provides force to remain horsepower as engine rpm drops below rated speed

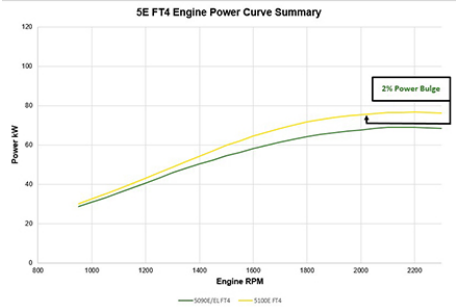

Additional Details

Horsepower and torque are mathematically related.

$$hp = \frac{Torque \times rpm}{5,252}$$

5M 4-Cylinder tractors provide 4% power bulge while 5E 4-Cylinder tractors provide 2% power bulge. *Note: There is no power bulge on 3-Cylinder tractors (5E 3-Cylinder or 5075M).*

Steering and brakes

Turn tighter and stop with confidence of wet-disk brakes

Quote ID :30058375Customer Name : CITY OF BUNNELL

Wet-disc brakes on open operator station (OOS)

Brake pedals locked (cab) – 5E shown

Overview

Make tighter turns or bring tractor to a stop in the field, on the highway, or at home with hydraulic wet-disc brakes.

Benefits

- Experience brake action on both rear wheels when in transport by locking the brake pedals together
- Make tighter turn in the field by unlocking brake pedals
- Maximum brake performance over the life of the tractor with oil cooled brakes

AG-PRO DATA MANAGEMENT POLICY

Ag-Pro, LLC (“Ag-Pro”) does **not** share customer data (of any type) with **any** third party, unless so requested by the customer or as required by Ag-Pro and approved by the customer.

Machine data is data that generally relates to how your equipment is functioning. Examples include fuel consumption, machine health indicators, vehicle diagnostic codes, and engine performance, and any such machine data will only be accessed by a Store Service manager, dedicated technician(s), I.S. (AMS) Specialists, and/or your Ag- Sales Professional.

Customer hereby grants Ag-Pro direct or remote access to customer’s machine data from customer’s equipment that is generated by, collected by, and/or stored in customer’s equipment and/or any hardware device interfacing with customer’s equipment.

Production data is data that is derived from work performed by customer with customer’s equipment. Examples include field task details, material moved, crop harvested (yield) and agronomic inputs applied. Production data will only be accessed, analyzed, interpreted, and used by the I.S. (AMS) Specialists, I.S. manager, and your Ag-Sales Professional unless otherwise requested by (you) the customer.

In addition to machine data, I hereby grant Ag-Pro I.S. (AMS) Specialists, my Ag-Sales Professional, and the I.S. Manager, the ‘Agronomic Specialist Role’ (which will give them access to my production data) to enable them to clean and format my production data for submission to and more efficient use by my agronomist. I understand that production data is generated by, collected by, and/or stored in (my) equipment or any hardware device interfacing with my equipment.

By signing this document, I, the undersigned customer, also acknowledge that, Ag-Pro, is not responsible for any data that is lost and/or destroyed.
