## **MEDIA RELEASE**

To be released immediately

### **Halloween in Bunnell Change**

**Bunnell, FL (October 6, 2020)** – The Center for Disease Control is warning that certain holiday traditions could contribute to the spread of COVID-19. Among those activities is door-to-door trick or treating.

Because of the advisory and direction coming from the Center for Disease Control and expressed concerns by Bunnell citizens, the City of Bunnell has decided not to host its traditional “Halloween in Bunnell” event held in the Colony Park and Sawmill Estates neighborhoods.

Please be aware that there will be no City services in and around these neighborhoods. There will be no additional light towers, porta-a-potties or traffic control and the City will not arrange for the field parking as was done in the past.

The City appreciates everyone’s understanding about this change and we hope that everyone stays safe during this holiday season.

For additional information or questions, please contact the City Clerk Office at (386) 437-7500 x 5.
